

## Jack Petchey Awards

The Jack Petchey Foundation, established in 1999, gives grants to programmes and projects that benefit young people aged 11 - 25.

The school is fortunate to have been awarded a grant from the foundation to recognise the effort, endeavour and achievements of our students. Each month the students have the opportunity to nominate their peers for a particular achievement or commitment to the school. Students are then able to vote for the winner of the award from the nominees. The student who wins the award receives a certificate and £200 to be spent on a school project of their choice.
